TESTIMONIALS

A letter to our manager from MR. DARNELL, the donor of the famous prize, THE DARNELL CUP, that he is annually offering at New York Show for best commercial dahlias as an inducement for hybridizers to produce new dahlias having better commercial merits. It's a safe bet that any dahlia recommended by Mr. Darnell is a good one for he knows and appreciates good reliable dahlias.

Locust Valley Dahlia Farm,
Locust Valley, L. I., N. Y.
Dear Mr. Finger:

If you look at my 1924 catalogue you will see what I said of your seedlings, and you can say that "Sylvia Dickey" is a wonderful cut flower variety, far superior to Venus. Anyone that can introduce a dahlia as good as the "Florence Finger" has benefited the flower world to a far greater degree than any of the hybridizers who work to produce a rival of the cabbage for size.

Those three dahlias, Dorothy Robbins, Florence Finger and Sylvia Dickey, will keep your memory green and will be listed by every wholesaler as soon as they are cheap enough to be within reach of the purely commercial grower. With all best wishes I am

(Signed)

DARNELL.

Your letter received also the dahlia tubers, and I want to say your tubers are mostly better than those I have gotten elsewhere, in fact I'll take my hat off to you; the greater part of my dahlias come from you.

We got a number of bulbs from you last year and were very much pleased with the quality of them and the way they were packed. They all grew and we got good results with the blooms.
